TO: PROJECT DIRECTORS
Victim/ Witness Assistance Program (VW)

RE: FY 2009/10 Recovery Act – VOCA Stimulus (VS)
REQUEST FOR APPLICATION (RFA)

On February 17, 2009, President Obama signed into law, the American Recovery and Reinvestment Act of 2009 (the "Recovery Act"). As one of its many elements, the Recovery Act provides the U.S. Department of Justice (DOJ) with funding for grants to assist state, local, and tribal law enforcement (including support for hiring), to combat violence against women, to fight internet crimes against children, to improve the functioning of the criminal justice system, to assist victims of crime, and to support youth mentoring.

The California Emergency Management Agency's (CalEMA) (formerly known as the Governor's Office of Emergency Services), Law Enforcement and Victim Services Division is pleased to announce the release of the Recovery Act – VOCA Stimulus (VS) Victim/ Witness Assistance Request for Application (RFA).

Running concurrently with your Victim/Witness Assistance Program, the grant period will begin July 1, 2009 and end on June 30, 2010. It is anticipated there will be approximately **\$1,187,796** available for the VOCA Stimulus (VS) Victim/ Witness Assistance in FY 2009/10 and has been streamlined for quick submission.

Please refer to the VOCA Stimulus (VS) Program - Victim/Witness Assistance Funding Chart, at the end of Part III of this RFA, for your agency's FY 2009/10 funding allocation. Allocations listed on the funding chart are based on county population and the proportionate percentage of the Victim/Witness Programs' base funding amounts.

Special Note:

- VS Progress Report - Once VOCA Stimulus reporting requirements are known, a Progress Report will be developed and sent to you. These reports will be due on a monthly basis to ensure the federal reporting requirements are met.
- Cash and/or in-kind match - Required for VOCA funds.
- Certification of Assurance of Compliance – In order to receive VOCA Recovery Act funds, grant recipients must have a Data Universal Numbering System (DUNS) number <http://www.dnb.com/us/> and indicate (yes/no) if the agency maintains current registration in the Central Contractor Registration (CCR) database www.ccr.gov. Enter this information on this Certification form.

- Spending – These funds can also be used for printed materials, victim kits and equipment.

Accurate and complete submission of information requested in this RFA will expedite timely processing of your application. Please pay particular attention to:

- *Line-item detail for each budget item*, along with justification for how the item ties to the objectives and activities of the VS grant;
- *Mathematical calculations* for all line-item expenses;
- *Original signatures* by designated individuals, in the correct section(s) of the form(s);
- Fillable Application Forms – The forms are available online and are not included in the RFA packet. Please see instructions at the top of the RFA, Part IV, Checklist and Required Sequence form for access to the ([FORMS](#)) link at www.oes.ca.gov. **All of the forms have been revised to reflect our new agency's name and new form numbers. Please do not use forms from prior grant years as it will hold up the processing of your grant application into award.** An Excel Workbook is also available online with spreadsheets for each of the three budget categories;
- Signature Authorization Form – The Project Director and Financial Officer are required to sign this form and submit it with the Grant Award Forms package, whether or not authorization will be given to other individuals to sign grant documents on their behalf; and
- Part III – Additional Information – This section was added in FY 2007/08 to provide additional guidance to applicants in completing the Grant Award Application packet.

The FY 2009/10 Recovery Act – VOCA Stimulus (VS) Victim/ Witness Assistance Request for Application (RFA) email announcement includes a link to the RFA. The RFA and forms you need are also available on our website at [www.oes.ca.gov/Law Enforcement & Victim Services Division/RFA Funding Information](http://www.oes.ca.gov/Law%20Enforcement%20&%20Victim%20Services%20Division/RFA%20Funding%20Information), located in “Forms.”

To receive *VOCA Stimulus* funding in FY 2009/10, applicants must complete and return the enclosed application package to CalEMA by the applicable due date (as stated in Part I, C. *Application Due Date(s) and Submission Options*). This VOCA Stimulus (VS) RFA has been streamlined for quick submission

PART I – INFORMATION

A. INTRODUCTION

This Request for Application (RFA) provides the information and forms necessary to prepare an application for the California Emergency Management Agency (CalEMA) grant funds. The terms and conditions described in this RFA supersede previous RFAs and conflicting provisions stated in the *Recipient Handbook*. The *Recipient Handbook* provides helpful information for developing the application and is accessible at www.oes.ca.gov, by selecting the “Justice Programs” tab, then “Grant Applications & Proposals (RFAs/RFPs),” then looking in the “Related Links” for “*Recipient Handbooks*.”

B. CONTACT INFORMATION

Questions concerning this RFA, the application process, or programmatic issues should be directed to your Program Specialist or to the Victim/Witness Section at (916)324-9120.

C. APPLICATION DUE DATE AND SUBMISSION OPTIONS

One original and one copy of the application must be delivered to CalEMA’s Law Enforcement and Victim Services Division by the date and time indicated below. Submission options are:

1. Regular and Overnight mail, **postmarked by May 15, 2009** to:

California Emergency Management Agency
Law Enforcement and Victim Services Division
Criminal Justice Programs
3650 Schriever Avenue
Mather, CA 95655
Attn: VOCA Stimulus (VS) Program - Victim/Witness Assistance RFA, Victim/Witness Section

2. Hand delivered by **5:00 p.m. on May 15, 2009** to:

California Emergency Management Agency
Law Enforcement and Victim Services Division
Criminal Justice Programs
3650 Schriever Avenue
Mather, CA 95655
Attn: VOCA Stimulus (VS) Program - Victim/Witness Assistance RFA, Victim/Witness Section

D. ELIGIBILITY

California Penal Code Sections 13835-13835.5 contain requirements for eligibility for Victim/Witness Assistance centers that receive state funding generated by penalty assessments

and fines of convicted offenders. It is the intent of the Legislature to make funds available only to Victim/Witness Assistance centers that do not restrict services to victims or witnesses of a particular type of crime or to victims of crime where there is an identified suspect in the case. The County Board of Supervisors is the agency specified by statute to determine whether a county government agency (i.e., district attorney's office, probation department, etc.) or community-based organization will receive these funds.

E. FUNDS

The grant award period will begin July 1, 2009 and end June 30, 2010. Projects must budget for twelve (12) months.

It is anticipated there will be approximately **\$1,187,796** available to fund the VOCA Stimulus (VS) Program - Victim/Witness Assistance in FY 2009/10. Funds for this Program are derived from American Recovery and Reinvestment Act of 2009, the "Recovery Act" and the Victims of Crime Act of 1984 (VOCA).

All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. Applicants also should anticipate that awards under the Recovery Act will be one-time awards and accordingly should propose project activities and deliverables that can be accomplished without additional funding.

Please refer to the VS Program Funding chart, at the end of Part III of this RFA, for the FY 2009/10 funding allocation. The funding allocation is based upon a percentage of the current funding base for the Victim/Witness Assistance Programs

Source and Use of Funds

a. Federal Victims of Crime Act (VOCA)

This grant program is authorized by the American Recovery and Reinvestment Act of 2009 (Public Law 111-5) (the "Recovery Act") and by the Victims of Crime Act of 1984 (VOCA), 42 U.S.C. 10603(a). The stated purposes of the Recovery Act are: to preserve and create jobs and promote economic recovery; to assist those most impacted by the recession; to provide investments needed to increase economic efficiency by spurring technological advances in science and health; to invest in transportation, environmental protection, and other infrastructure that will provide long-term economic benefits; and to stabilize state and local government budgets, in order to minimize and avoid reductions in essential services and counterproductive state and local tax increases.

The Recovery Act places great emphasis on accountability and transparency in the use of taxpayer dollars. Among other things, it creates a new Recovery Accountability and Transparency Board and a new website—Recovery.gov—to provide information to the public, including access to detailed information on grants and contracts made with Recovery Act funds. The Office for Victims of Crime (OVC) will award each eligible state assistance program a Recovery Act - VOCA victim assistance formula grant to support the provision of services to victims of crime throughout the Nation. Services under this grant program are defined as those efforts that (1) respond to the emotional and physical needs of crime victims; (2) assist primary and secondary victims of crime to stabilize their lives after a victimization; (3) assist victims to understand and participate in the criminal justice system; and (4) provide victims of crime with a measure of safety and security such as boarding-up broken windows and replacing and repairing locks.

Match Requirement (VOCA Stimulus Funds)

All projects will receive VOCA Stimulus Funds. Projects **must** clearly identify staff positions, including match, paid from all funding sources in the budget pages. VOCA funds and the required match are restricted to direct services to crime victims. In addition, services to **witnesses** other than the crime victim are prohibited for VOCA funds, and their required match.

The federal program guidelines specify a **cash/in-kind match** of 20 percent for VOCA. When used to augment the project, expenditures for items such as personnel, operating expenses or equipment are considered a match if not in violation of prohibition on supplanting (see Supplanting Prohibited). Details regarding match categories and instruction for calculating match are stated below and are included in the budget section of the application forms package.

To calculate the match, divide the grant award amount by 80 percent (for VOCA) to determine the total project cost. Then, subtract the grant award amount to determine local match.

<u>TOTAL PROJECT COST EXAMPLE</u>	
	<u>VOCA (80%)</u>
Grant Amount	= \$50,000
Divide \$50,000 by .80	= \$62,500 (Total project cost)
Subtract Grant Amount	= \$50,000 (80%)
Local Match	= \$12,500 (20%)

F. PROGRAM INFORMATION

The objective of the Recovery Act is to provide direct services to crime victims in support of the Recovery Act objectives to preserve and create jobs and promote economic recovery.

The purpose of this document is to solicit applications for funding from eligible applicants for the VOCA Stimulus (VS) Program - Victim/Witness Assistance. The programs are to provide funding for comprehensive assistance programs for victims and witnesses of all types of crime and to establish Victim/Witness Assistance centers to handle the trauma experienced by victims and witnesses thereby allowing for faster and more complete recovery from the effects of crime.

Projects funded through the Victim/Witness Assistance Program are required to perform the activities mandated in Sections 13835.4 through 13835.5 of the Penal Code.

A DUNS number is required. All applicants under this solicitation must include a DUNS (Data Universal Numbering System) number in their application. Applications without a DUNS number are incomplete.

A DUNS number is a unique nine-digit sequence recognized as the universal standard for identifying and keeping track of entities receiving Federal funds. The identifier is used for tracking purposes and to validate address and point of contact information for federal assistance applicants, recipients, and sub recipients. The DUNS number will be used throughout the grant life

cycle. Obtaining a DUNS number is a free, simple, one-time activity. Obtain one by calling 1-866-705-5711 or by applying online at <http://www.dnb.com/us/>. Individuals are exempt from this requirement.

Central Contractor Registration (CCR) is required. In addition to the DUNS number requirement, Office of Justice Programs (OJP) requires that all applicants (other than individuals) for federal financial assistance maintain current registrations in the Central Contractor Registration (CCR) database. The CCR database is the repository for standard information about federal financial assistance applicants, recipients, and sub recipients. Organizations that have previously submitted applications via Grants.gov are already registered with CCR, as it is a requirement for Grants.gov registration. Please note, however, that applicants must update or renew their CCR registration at least once per year to maintain an active status. Information about registration procedures can be accessed at www.ccr.gov.

SERVICE STANDARDS

Projects funded through the 2009/10 Recovery Act – VOCA Stimulus (VS)
Programs are required to perform the activities mandated in Sections 13835.4 through 13835.5 of the Penal Code.

ADA COMPLIANCE

Applicants must be in compliance with the Americans with Disabilities Act (ADA) of 1990, 42 U.S.C. 12101, et seq, and Title 28 of the Code of Federal Regulations, part 35. The applicant shall operate so that each service is accessible to and usable by individuals with disabilities. Applicants may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternative accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock or other conveyances, or any other methods that result in making its services, programs, or activities readily accessible to and usable by individuals with disabilities.

Applicants must ensure that communication with individuals with disabilities is as effective as communication with others without disabilities. This includes the use of telecommunications systems for communications by telephone. Applicants must also ensure that individuals with impaired vision or hearing can obtain information as to the existence and location of accessible services, activities, and facilities, as well as provide appropriate signage. This includes all written materials (i.e. brochures, applications, consents, videos, etc.).

REQUEST FOR APPLICATION (RFA)

PART II – INSTRUCTIONS

The instructions in this section correspond to each of the application components and to the forms required to complete the application.

The applicant must use the forms provided in the Table of Contents of this RFA or the “Forms” (FORMS) provided on our website and plain 8½” x 11” white paper for the application. The blank Project and Budget Narrative pages on the website have been pre-formatted to CalEMA standards. If you create your own computer-generated Project and Budget pages, the format must duplicate the CalEMA pre-formatted pages.

Copies of the application must be assembled separately and individually fastened in the upper left corner. ***Do not bind application.***

A. PROJECT NARRATIVE

The project narrative is the main body of information describing the problem to be addressed, the plan to address the problem through appropriate and achievable objectives and activities, and the ability of the applicant to implement the plan.

1. Problem Statement

The performance history/problem statement section is a narrative that explains the development of your center and how it has evolved. Describe the resources you have and any growth in services. Explain what is missing today in terms of services and resources. For example, do you address all crime or do you limit to specific crimes and services due to the lack of available resources? Look at this as a report of your project's past performance, then describe what is still needed and why. Address any particularly unique problem in your county and why it is a problem.

2. Plan and Implementation

Describe the activities you will take to establish and maintain the following service requirements:

- Provide the mandatory services to victims of all types of crimes;
- Conduct field visits and, when appropriate, provide intervention and counseling services;
- **Recruit and use volunteers** to augment paid staff in the delivery of victim and witness services. In addition, centers must provide new and continuing volunteers with both structured and on-the-job training appropriate to their specific assigned duties. **Discuss how your agency fulfills the mandatory requirement of VOCA volunteers including how you recruit them, what typical duties are assigned to volunteers and how their time is documented.**

- **NEW: If you are experiencing difficulty obtaining volunteers, you must describe in detail what recruiting/outreach has been attempted, what new efforts you will explore during the new program year, what typical duties would be assigned if you had volunteers and how you would document their time as a volunteer.** Also projects must conduct a background check (i.e., fingerprinting, name check, etc.) on all prospective volunteers prior to acceptance into their program and assignment of duties. (VOCA funds cannot pay for this service);
- Provide services that are responsive to the special needs of victims (e.g., elderly or disabled victims). Include a description of how the project is designed to provide the following legislated special services to victims in conjunction with mandatory and optional services:
 - hearing impaired, including sign language interpreter service arrangements;
 - disabled; including detailed description of sight impaired alternate formats; brochures, applications, and other forms used for sight impaired victims
 - elderly/dependent adults; and
 - employ multi-lingual staff and/or maintain a listing of available translation services.

Describe how, from where, and when, the project receives referrals. Projects are encouraged to review their existing referral procedures to ensure they are receiving referrals on the most serious cases likely to result in trauma to the victim or victim's family.

Give a description of working relationships with other agencies and the content of operational agreements (OAs). At a minimum, victim/witness assistance projects must have OAs with local Domestic Violence Centers, Rape Crisis Centers and agencies that provide services for child crime victims. *The OAs must contain original signatures, titles, and agency names for both parties and include dates effective for the proposed grant period.* This document must demonstrate a formal system of networking and coordination with other agencies and the applicant. A sample OA is provided in *Recipient Handbook, Appendices, and Forms*.

Either your Operational Agreements Summary Form or your project narrative must identify which agencies listed on the summary form are providing victim services to the three primary VOCA victim groups: sexual assault, domestic violence and children crime victims. Include any Unserved/Underserved Populations and the agencies providing those services.

The Application Appendix must include a **current** organizational chart with all positions funded by the project, including supervisors as appropriate. It must show the relationships between the governing body, the organization, the project, project staff, project volunteers and the lines of supervision. Job titles on the organizational chart must match those in the Budget.

The Application Appendix must also include a listing of "Multiple Field Offices" if more than one site exists within the county providing services to victims and "after hours" telephone contact numbers for their project as specified in this RFA, Part I, Section H, and Multiple Field Offices.

B. PROJECT BUDGET (CalEMA 2-106a)

The purpose of the project budget is to demonstrate how the applicant will implement the proposed plan with the funds available through this program. Project costs must be directly related to the objectives and activities of the project. The budget must cover the entire grant period. In the budget, include **only** those items covered by grant funds, including match funds

when applicable. The applicant may supplement grant funds with funds from other sources. However, since approved line items are subject to audit, the applicant should not include in the project budget matching funds (if applicable) in excess of the required match. Budgets are subject to CalEMA modifications and approval.

CalEMA requires the applicant to develop a **line item** budget which will enable the project to meet the intent and requirements of the program and ensure the successful and cost effective implementation of the project. Failure of the applicant to include required items in the budget does not eliminate responsibility to comply with those requirements during the implementation of the project. The applicant should refer to the *Recipient Handbook* for additional information concerning CalEMA budget policy or to determine if specific proposed expenses are allowable. The *Recipient Handbook* is accessible on our website at www.CalEMA.ca.gov. Select the "Justice Programs" tab, then "Grant Applications & Proposals (RFAs/RFPs)," then look in the "Related Links" for "*Recipient Handbooks*." Contact the person listed on page 1-subsection B of this RFA should you have additional budget questions.

1. **Budget Narrative**

The applicant is required to submit a narrative with the project budget. The narrative must be typed and placed in the application in front of the budget pages. In the narrative describe:

- How the applicant's proposed budget supports the objectives and activities.
- How funds are allocated to minimize administrative costs and support direct services.
- The duties of project-funded staff; including qualifications or education level necessary for the job assignment. This does not take the place of the brief justification required in the line item budget.
- How project-funded staff duties and time commitments support the proposed objectives and activities.
- The proposed staff commitment/percentage of time to other efforts, in addition to this project.
- The necessity for subcontracts and unusual expenditures.
- The mid-year salary range adjustments.

2. Specific Budget Categories

(Please note the proper budget format to use for VW projects is CalEMA 2-106a found in the “**FORMS**” Folder on the CalEMA website)

There is an Excel Workbook in the Table of Contents of this RFP or on our website in “Forms” (**FORMS**) with spreadsheets for each of the following three budget categories:

- Personal Services – Employee Salaries/Benefits;
- Operating Expenses; and
- Equipment.

The left column of each budget category on the Spreadsheet requires line item detail including the calculation and justification for the expense. Enter the **whole dollar amount only** (no cents), on each line item and match in the correct column of the Budget Category form. The spreadsheet will sum each addition. You may add extra rows if necessary, the spreadsheets total at the end of each budget category and total the three spreadsheets at the bottom of the last page (Equipment). The total of the budget including each funding source and/or match amount must correspond to the amount of the Total Project Cost (Block 10G) on the Grant Award Face Sheet.

The bottom of the Equipment Category form contains a format for identifying the project total and fund distribution. This section must be completed and submitted even if there are no line items identified in the equipment category.

a. **Personal Services – Salaries/Employee Benefits (CalEMA 2-106a) (formerly OES A303a):**

1) Salaries

Personal services include services performed by project staff directly employed by the applicant and must be identified by position and percentage of salaries. These may be salaried or hourly, full-time or part-time positions. Sick leave, vacation, holidays, overtime, and shift differentials must be budgeted as salaries. If the applicant's personnel have accrued sick leave or vacation time prior to the approval of grant funding, they may not take time off using project funds. Salaries for staff not directly employed by the applicant must be shown as participating staff (see *Recipient Handbook*, Section 4500) in the Operational Expenses Category. Consultant services remain under Operating Expenses (refer to Part II, B.2.b. - Operating Expenses - paragraph two.)

2) Benefits

Employee benefits must be identified by type and percentage of salaries. The applicant may use fixed percentages of salaries to calculate benefits. Budgeted benefits cannot exceed those already established by the applicant.

Employer contributions or expenses for social security, employee life and health insurance plans, unemployment insurance, and/or pension plans are allowable budget items. Benefits, such as uniforms or California Bar Association dues, are allowable budget items if negotiated as a part of an employee benefit package.

A line item is required for each different position/classification, but not for each individual employee. If several people will be employed full-time or part-time in the same position/classification, provide the number of full-time equivalents (e.g., three half-time clerical personnel should be itemized as 1.5 clerical positions).

Any retirement debt related allocated expenses for former employees of the agency are NOT allowable expenses using VOCA funds.

b. Operating Expenses (CalEMA 2-106b) (formerly OES A303b):

Operating expenses are defined as necessary expenditures other than personal salaries, benefits, and equipment. Such expenses may include specific items directly charged to the project, and in some cases, when permitted by the funding source, an indirect cost allowance. The expenses must be grant-related (i.e., to further the program objectives as defined in the grant award), and be encumbered during the grant period.

The following items fall within this category: consultant services such as subcontractors, participating staff who are not employed by the applicant, travel, office supplies, training materials, equipment maintenance, software equipment rental/lease, telephone, postage, printing, facility rental, vehicle maintenance, answering service fees, and other consumable items. Furniture and office equipment with an acquisition cost of less than \$5,000 per unit (including tax, installation, and freight) and/or with a useful life of less than one year fall within this category. Otherwise these fall under equipment expenses.

Salaries for staff not directly employed by the applicant must be shown as consultant and/or participating staff costs (whichever is applicable per *Recipient Handbook* Sections 3710 and 4500) under the Operating Expenses category. These costs must be supported by an Operational Agreement (OA), which must be kept on file by the recipient and made available for review during a CalEMA site visit, monitoring visit, or audit. In the case of grants being passed through a recipient to be operated by another agency, the staff from the second agency will be shown in the Operating Expenses category.

c. Equipment (CalEMA 2-106c) (formerly OES A303c):

Equipment is defined as nonexpendable tangible personal property having **a useful life of more than one year** and an acquisition cost of \$5,000 or more per unit (including tax, installation, and freight).

A line item is required for different types of equipment, but not for each specific piece of equipment (i.e., three laser jet printers must be one line item, not three).

C. APPLICATION APPENDIX

The Application Appendix provides CalEMA with additional information from the applicant to support components of the application. The following must be included:

- **Operational Agreements (OAs) Summary Form** (CalEMA 2-160) must be completed and included in your application. Maintain actual OAs on file at the project (available to CalEMA program staff upon request), but do not submit with this application. List those agencies, organizations and individuals with whom the project will have OAs for the FY 2009/2010 and the years covered by those agreements (one, two, or three years). A new OA need not be obtained if the current one covers FY 2009/2010. When this is not the case, a new OA for FY 2009/2010 must be obtained. OAs must be on file at the project by

July 1, 2009.

OAs must be dated and contain original signatures, titles, and agency names for both parties. At a **minimum**, each Victim/Witness Assistance Center must have OAs with local Domestic Violence Centers, Rape Crisis Centers, agencies that provide services to child crime victims and agencies that provide services to Unserved/Underserved Populations. . The OA should include each agency's role and responsibilities and the services/resources they will be providing. For the purpose of the RFA, the terms OA and Memorandum of Understanding (MOU) are synonymous. A sample OA is provided in "*Forms*" (**FORMS**).

PART III – ADDITIONAL INFORMATION

The applicant is strongly encouraged to review the following sections in preparing the application.

- A. Finalizing the Grant Award Agreement
- B. Administrative Requirements
- C. Budget Policy
- D. Glossary of Terms

A. FINALIZING THE GRANT AWARD AGREEMENT

1. Standard Project Funding Authority

Allocation of funds is contingent on the enactment of the State Budget. CalEMA does not have the authority to disburse funds until the budget is passed and the Grant Award Agreement is fully executed. Expenditures incurred prior to authorization are made at the project's own risk and may be disallowed. When the executed grant is received, and the State Budget is finalized, authorized expenditure reports may be submitted for reimbursement of expenditures incurred subsequent to the effective date of the grant award agreement.

If, during the term of the grant award, the state and/or federal funds appropriated for the purposes of the grant award are reduced or eliminated by the California Legislature or the United States Government, or in the event revenues are not collected at the level appropriated, CalEMA may immediately terminate or reduce the grant award by written notice to the recipient. However, no such termination or reduction shall apply to allowable costs already incurred by the recipient to the extent state or federal funds are available for payment of such costs.

CalEMA Grant Award Agreements are subject to applicable restrictions, limitations, or conditions enacted by the California Legislature and/or the United States Government, subsequent to execution of the Grant Award Agreement.

2. Processing Grant Awards

a. Grant Award Conditions

CalEMA may add one or more grant award conditions to the Grant Award Agreement prior to or after funding. If conditions are added, they will be discussed with the applicant and a copy of the conditions will be sent to the grant recipient when the conditions are made part of the Grant Award Agreement. Grant award conditions may include requirements for sole source justification, a computer feasibility study, or other requirements deemed necessary by CalEMA.

b. Grant Award Agreements

A copy of the executed Grant Award Agreement and pertinent attachments will be sent to the Project Director. The recipient is not authorized to incur costs against the grant until a copy of the fully executed Grant Award Agreement is received.

c. Grant Award Amounts

When the amount of funds available is limited, CalEMA may reduce the amount of the grant award from the amount requested by the applicant. In addition, CalEMA reserves the right to negotiate budgetary changes with the applicant prior to executing the Grant Award Agreement. If either of these actions is required, CalEMA will notify the applicant prior to executing the Grant Award Agreement.

B. ADMINISTRATIVE REQUIREMENTS**1. The Recipient Handbook (RH)**

The *Recipient Handbook* is accessible on our website at www.oes.ca.gov. Select the "Justice Programs" tab, then "Grant Applications & Proposals (RFAs/RFPs)," then look in the "Related Links" for "*Recipient Handbooks*." The *Recipient Handbook* contains administrative information and requirements necessary to implement the project. Recipients must administer their grants in accordance with the *Recipient Handbook* requirements. Failure to comply with these requirements can result in the withholding or termination of the grant award.

The information below may be cross referenced with the *Recipient Handbook* (RH) by referencing the handbook section number.

2. Internet Access (RH 11500)

Funded projects are required to maintain Internet access with an established e-mail address. Grant funds may be used for this purpose unless specifically prohibited by the terms of the program.

3. Progress Reports and Data Collection (RH 10100)

Funded projects are required to participate in data collection and to submit progress reports required by the program. Projects are required to keep accurate records to document the information reported in the progress reports. The records must be kept by the project for a period of three years. During site/monitoring visits, CalEMA will review these records for accuracy and compare them with the reported data submitted on the progress reports.

4. Monthly/Quarterly Report of Expenditures and Request for Funds (CalEMA 201) (RH 6300)

Community-based organizations shall submit a monthly Report of Expenditures and Request for Funds (CalEMA 2-201) unless they request a quarterly reporting period. Government and education agencies receiving funds will be required to report on a quarterly basis. This form is due within 30 calendar days of the end of the reporting period and must be submitted whether or not the project has incurred expenses. Delays in submitting the form CalEMA 2-201 will result in the withholding of funds and may result in the recommendation to CalEMA's Executive Secretary for termination of the grant award.

5. Technical Assistance/Site Visits (RH 10300)

Funded projects are assigned a CalEMA program specialist to oversee the progress of the project in achieving its goals, objectives and compliance with the Grant Award Agreement. Program specialists are available to assist the project in the successful implementation of the project and in meeting the administrative requirements of the Grant Award Agreement. New projects should expect a site visit from the assigned program specialist within the first six months of the grant period. Follow-up site visits will be conducted periodically throughout the life of the grant. Projects may request a site visit to obtain technical assistance.

6. Monitoring Requirements (RH 10400)

A monitoring visit is an onsite assessment by CalEMA staff to determine if the project is in compliance with the terms of the program, the Grant Award Agreement, the Program Guidelines, the RFA/RFP, and the *Recipient Handbook*. Projects will be monitored on a random or as-needed basis.

7. Bonding Requirements (RH 2160)

Private community-based organizations (CBO) and American Indian organizations are required to obtain and send to CalEMA a notarized copy of a blanket fidelity bond or equivalent insurance contract applicable to officials and employees of CalEMA-funded projects within 60 days of the signed Grant Award Agreement. Failure to comply with this requirement may result in the withholding of grant funds or termination of the Grant Award Agreement. The beneficiary named on the bond or an endorsement must include the "State of California, California Emergency Management Agency" and include the Grant Award number for identification purposes.

The time period covered by the bond must include the effective date and time period of the grant, including extensions. The bond must be in an amount equal to 50 percent (50%) of the total grant award and may have a deductible in an amount not to exceed one percent (1%) of the bond.

A bond is not required of a recipient sponsored by units of government. CBOs sponsored by units of government may submit documentation indicating this in lieu of the bond or insurance contract, unless specifically required terms of the program or grant award conditions.

8. Audit Requirements (RH 8100)

To safeguard CalEMA assets and to ensure all funds are accounted for, CalEMA requires that organizations receiving a CalEMA grant award(s) be audited in accordance with *Recipient Handbook* section 8100.

9. Copyrights, Rights in Data, and Patents (RH 5300-5400)

CalEMA owns rights of and reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, and use, in whole or in part, material produced by activities supported by a Grant Award Agreement. These ownership rights are detailed in the *Recipient Handbook*.

10. Source Documentation (RH 10111)

Recipients are required to maintain source documentation to support claimed expenditures and project accomplishments. Source documentation is defined as records used to validate project activities and achievements pertaining to the objectives outlined in the Grant Award Agreement. Recipients are to retain source documentation for progress reports on a quarterly basis regardless of submission requirements. Requirements and definitions for program specific source documentation are delineated in the terms of the program. Recipients will be required to have written job descriptions on file for positions funded by CalEMA detailing specific grant-related activities to achieve project objectives.

C. BUDGET POLICY

This document summarizes information on CalEMA Budget Policy contained in the *Recipient Handbook*. Additional information may be obtained by accessing the *Recipient Handbook* at www.oes.ca.gov, by selecting the “Justice Programs” tab, then “Grant Applications & Proposals (RFAs/RFPs),” then look in the “Related Links” for “*Recipient Handbooks*.”

1. Supplanting Prohibited (RH 1330)

Grant funds must be used to supplement existing funds for program activities and **not replace** funds appropriated for the same purpose. A written certification must be provided to CalEMA indicating the grant funds will not be used to supplant existing funds. Supplanting will be the subject of application review, post-award monitoring, and audit. The rules on supplanting are found in Section 1330 of the *Recipient Handbook*.

2. Project Income (RH 6610)

Project income such as client fees and fees for services provided by the project (e.g., training, presentations, etc.), asset forfeitures, profits from the sale of project products, and conference proceeds as the result of a direct trade of time or products for money, must be used to offset or augment the grant unless otherwise specified in the RFA instructions. Project income cannot be used as matching funds unless otherwise specified in the RFA instructions.

3. Methods of Contracting and/or Procurement (RH 3400)

A competitive bid process is required to purchase equipment or consultant services with grant funds. Noncompetitive bid contracts are disfavored. Noncompetitive bid request approval by CalEMA program staff, is required prior to the purchase of equipment in excess of \$5,000, or to hire a specific consultant charging over \$5,000. Local units of government may use their approved procurement policy except for contracts over \$50,000, which require prior CalEMA approval. For organizations without a written procurement policy, a competitive bid process involves determining the specifications for the items needed and obtaining at least three bids from different vendors. Whenever a specific individual/organization name is identified in the project budget, a noncompetitive bid request will be required. CalEMA will provide assistance in submitting a noncompetitive bid request, if CalEMA determines it is in the best interest of the project. These procedures do not apply to funds shared with participating agencies under the terms of an Operational Agreement (see Section 4500, *Recipient Handbook*).

4. Match Requirements (RH 6500)

The RFA Instructions (Part II) may specify a cash or in-kind match. When used to augment the project, expenditures for items such as Personal Services, Operating Expenses, or Equipment are considered match if not in violation of the prohibition on supplanting. Match specified in the budget will become part of the grant award. (Specific instructions for calculating the match are provided in Sections 6550 – 6550.2 of the *Recipient Handbook*.)

5. Travel Policies

The following is CalEMA's current travel policy:

a. Travel and Per Diem (RH 2236)

The applicant may prepare the budget using its own travel policy or the state travel policy according to the following guidelines. Travel reimbursement will only be allowed based on actual costs.

1) Units of Government

Units of government may use their own written travel policy or the state policy.

2) Community-Based Organizations (CBO)

A community-based organization may use the state travel policy or the applicant's written policy up to the maximum rates allowed by the state travel policy.

b. State Travel and Per Diem Policy (RH 2236.2)

Use the following state travel policy for budgeting travel expenses:

1) Out-of-State Travel (RH 2236.11)

Out-of-state travel is restricted and only allowed in exceptional situations. Requests for approval for out-of-state travel must be submitted for CalEMA approval.

2) Mileage

When a privately owned vehicle is utilized on project-related business, a maximum of .55 cents per mile is allowed, unless a higher rate is justified. Documentation justifying a higher rate must be on file and available for audit, but should not be submitted with the application.

3) Meals and Incidentals

a) Breakfast \$6.00

Breakfast may be claimed when travel commences at or prior to 6:00 a.m. Breakfast may be claimed on the last fractional day of a trip of more than 24 hours if travel terminates at or after 8:00 a.m.

b) Lunch \$10.00

Lunch may not be claimed for travel less than 24 hours. Lunch may be claimed if the trip begins at or before 11:00 a.m. and may be claimed on the last fractional day of a trip of more than 24 hours if the travel terminates at or after 2:00 p.m.

c) Dinner \$18.00

Dinner may be claimed if the trip begins at or before 4:00 p.m. Dinner may be claimed when travel terminates at or after 7:00 p.m., whether on a one-day trip or on the last day of a trip of more than 24 hours.

d) Incidentals \$6.00

Incidentals may be claimed for trips of 24 hours or more.

e) Total Per Diem

Total is \$40.00 for a 24-hour period.

4) Lodging

The maximum allowed lodging rate is \$84.00, plus applicable taxes (except as noted below). Lodging receipts are required for reimbursement.

5) Special Lodging Rates

The maximum allowed lodging rate in Los Angeles and San Diego counties is \$110.00, plus applicable taxes. The maximum for Alameda, San Francisco, San Mateo, and Santa Clara counties is \$140.00, plus applicable taxes.

6) Other

Taxi, airport shuttle, etc. which exceed \$3.50 must be supported by receipt. Parking in excess of \$10.00 must be supported by receipt.

6. Participating Staff

The term “participating staff” refers to salaried employees of a participating agency assigned to work with the recipient on the implementation of a project. The agreement between the recipient and the participating agency concerning participating staff must be reflected in the OA. Grant related costs associated with participating staff must be itemized in the operating expenses category of the grant budgets.

7. Independent Contractor / Consultant (RH 3710)

Consultant services are provided on a contractual basis by individuals or organizations not directly employed by the applicant (see *Personal Services – Salaries*). Independent contractors must not be used in lieu of employees. Independent contractors are defined as individuals or organizations meeting some or all of the following criteria:

- produce a specific product or service;
- work independently without direct supervision from the applicant;

- work on specific projects;
- provide services for a limited number of hours or period of time; and/or,
- have no agency management or oversight responsibilities directed toward the financial success or direction of the agency.

a. Rates (*RH 3710.1*)

The maximum rate for independent contractors is \$250.00 per hour (excluding travel and subsistence costs). A request for compensation over \$250.00 per hour requires **prior approval** from CalEMA and additional justification.

1) Independent Contractors Employed by State and Local Government

Compensation for independent contractors will be allowed when the unit of government can not provide services without this cost. In these cases, the rate of compensation is not to exceed the daily salary rate paid by the unit of government.

b. Expert Witness Fees (*RH 3710.2*)

Projects, which routinely utilize “expert witnesses” as independent contractors to conduct evaluations and provide expert testimony in the courtroom, may budget for this expense. However, the project may only be charged for costs above what the jurisdiction is required to cover. The maximum allowable rate for witness fees is \$250.00 per hour up to \$2,000 per day. The total amount budgeted for expert witness fees must not exceed ten percent (10%) of the project’s total budget. Requests for proposed expert witness costs must be accompanied by written justification indicating the following:

- qualifications, training, and experience of the expert(s), including a statement regarding recognition by the court of the individual as an expert;
- specialized certification/licensure [e.g., Masters in Social Work (MSW); Licensed Clinical Social Worker (LCSW), Marriage and Family Therapist (MFT), Medical Doctor (MD)];
- rate of pay per hour, including documentation of a survey of the availability of similar consultants, the current “going rate,” and the proposed rate of pay with a cost breakdown if the expert is paid according to services (e.g., mileage, waiting time, court testimony);
- proposed services to be provided (e.g., analysis of forensic evidence, psychological evaluation);
- justification for why this cost cannot be paid with other funds (attach the justification to CalEMA 2-106b, formerly OES A303).

8. Facility Rental (*RH 2232*)

Up to \$21 per square foot annually (\$1.75 per square foot per month) is allowed for facility rental. If the rental cost for office space exceeds this rate, it must be consistent with the prevailing rate in the local area. This documentation must be on file and available for audit and should not be submitted with the application.

a. Rental Space for Training and Counseling Rooms

Rental space for training and individual and/or group counseling rooms may also be charged to the grant providing the charge is based on actual costs and not reimbursed by another source.

9. Rented or Leased Equipment (RH 2233)

An explanation and cost analysis is required when is equipment rented or leased. This analysis must demonstrate that it is more cost-effective to rent or lease the equipment than it is to purchase it, and must be approved by CalEMA prior to the execution of a rental or lease agreement.

10. Indirect Costs/Administrative Overhead (RH 2220)

Indirect costs are those not readily itemized or assignable to a particular project, but necessary to the operation of the organization and the performance of the project. The costs of operating and maintaining facilities, accounting services, and administrative salaries are examples of indirect costs. Flat rates not exceeding ten percent (10%) of personnel salaries (excluding benefits and overtime) or five percent (5%) of the total direct project costs (excluding equipment) may be budgeted by the applicant for indirect costs if allowable by the funding source.

11. Audits (RH 8150)

Recipients expending between \$25,000 and \$499,999 in federal or state funds annually cannot use federal funds to reimburse for costs associated with audits. Recipients expending \$500,000 or more in federal grant funds annually are required to secure an audit pursuant to OMB Circular A-133 and are allowed to utilize federal grant funds to budget for the audit costs.

- Specifically, the allowable audit costs are as follows: if the total project cost is less than or equal to \$150,000, the project may budget up to \$2,000 for the financial audit cost; or
- If the total project cost is greater than \$150,000, the project may budget up to one and a half percent (1.5%) of the total grant for financial audit costs.

12. Equipment (RH 2300)

Equipment is defined as nonexpendable tangible personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit (including tax, installation and freight).

A line item is required for each different type of equipment, but not for each specific piece of equipment (e.g., three laser jet printers should be one line item, not three).

a. Allowable Expenses

Equipment used solely for project activities may be budgeted if it is essential to the implementation of the project. Grant funds may not be used to reimburse the project for equipment already purchased.

Rented or leased equipment must be budgeted as an Operating Expense. Lease-to-purchase agreements are generally not allowable. If a lease-to-purchase is

requested, the project will be required to submit justification, including cost-effectiveness. Prior approval by CalEMA is required.

b. Computers and Automated Equipment (RH 2340)

1) Community-Based Organization (RH 2342.1)

Community-based organization may budget up to \$25,000 in computer equipment, software, and related costs. CalEMA will evaluate the proposed purchase on the basis of grant-related need. Prior approval by CalEMA is required. The Recipient will be sent instructions for preparing the justification.

2) Units of Government (RH 2342.2)

Units of government may budget for computer equipment, software, and related costs. CalEMA will evaluate the proposed purchase on the basis of grant-related need. CalEMA must give approval prior to purchase. If federal grant funds totaling in excess of \$100,000 are used for automated data processing purchases, prior federal approval is also required. The Recipient will be sent instructions for preparing the justification.

3) Computer Purchase Justification (RH 2341)

Approval for purchases of computers and automated equipment is contingent on the applicant's ability to demonstrate cost-effective, project-related need which is best demonstrated by clearly relating each computer system or component to the grant objectives and activities. The Recipient will be sent instructions for preparing the justification.

c. Automobiles (RH 2331)

Automobiles are not allowable items unless permitted by the terms of the program. If an automobile is included in the budget, substantial justification demonstrating the grant-related need will be required before finalization of the Grant Award Agreement. The justification must describe the need for the automobile, including the size of the service area, the need to provide direct service away from the office, and the reason why the agency will not allow personal automobile usage during work hours. A cost analysis for automobile purchase as compared to other options including lease and personal automobile use and mileage, must be done and kept on file for review by CalEMA's program staff during a site visit, monitoring visit, and/or audit.

13. Prohibited Expense Items (RH 2240)

a. Bonuses and Commissions (RH 2241)

Projects are prohibited from paying any bonus or commission to any individual, organization or firm unless specifically authorized by the terms of the program

2) Charges, Fees, and Penalties

Charges, Fees and Penalties Finance charges, late payment fees, penalties, and returned check charges are not allowable expenditures.

f. Food and Beverages (RH 2246)
